Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Iowa State University Press, United States, 1999. Paperback. Condition: New. 2nd Edition. Language: English. Brand new Book. This dictionary is a comprehensive list of terms relating to animal behaviour. Straightforward, unambiguous definitions are given for terms that often are used imprecisely. Colloquial expressions are included with reference to more rigorous technical terms. This is an extensive yet comfortably sized reference book for behavioural terminology and ethological concepts. The "Dictionary of Farm Animal Behaviour" should be beneficial to students in programmes related to animal agriculture, animal science, and veterinary medicine, as well as to practitioners and professionals.
